Re: Nicholas Copeland Builders Pty Ltd

This letter is to notify the interested parties our relationship with Nicholas Copeland which has been in the construction industry building large unit developments and commercial properties.

These projects were all constructed of high quality and H & H Air Conditioning were proud to be associated with Nicholas Copeland Builders on more than one occasion.

Our accounts have always been paid on or before due date which made working with Nicholas Copeland Builders an easy decision.

We are happy to recommend Nicholas Copeland Builders to anyone looking for a large to a small project. Their experience has made our working relationship easy to complete our scope of works.

Please feel free to contact me for any further information

Thanks
