Dear Nick,

On behalf of Faith Lutheran Primary School Council, I would like to thank you most sincerely for your personal interest and professional expertise in providing our school with a fantastic new building, that we are extremely happy with.

Deh Osland and Greg Day spoke in glowing terms of your assistance in all aspects of the construction and planning, allowing the building to be completed quickly and with minimal disruption to the school. Your care and diligence are evident in the finished product.

The council members are greatly appreciative of your efforts, thank you once again.

Yours sincerely
